Product description

This right-side fender for the Porsche 911 model 991, specifically designed for the "911R" variant, is a premium body component crafted from high-quality carbon fiber. This fender is an original Porsche part, ensuring a perfect fit and exceptional durability. The use of carbon fiber not only enhances the aesthetic appeal of your Porsche 911 but also contributes to reduced vehicle weight, which can improve performance and fuel efficiency.

The part numbers for this fender are 991503032A3G2X and 991503032A3GRV, confirming its authenticity and compatibility with the Porsche 911 model 991 "911R". This fender is brand new, unused, and undamaged, maintaining the high standards expected from Porsche Originalteile (Original Parts).

Installing this carbon fiber fender will not only restore the original look of your Porsche 911 991 "911R" but also maintain its high-performance capabilities and structural integrity. Whether you're replacing a damaged fender or upgrading your vehicle for aesthetic reasons, this genuine Porsche part offers reliability and quality that aftermarket products cannot match.
