Product description

This high-quality carbon mudguard is specially designed for the Porsche 911 model 991.1 GT3RS and is located on the right side of the vehicle. The use of carbon material not only guarantees excellent durability and stability, but also contributes to reducing the weight of the vehicle, which in turn can improve performance and efficiency.

The OEM numbers for this mudguard are 9915030329A and 99150303295, which ensures its authenticity and compatibility with the specified vehicle model. As an original Porsche part, this mudguard meets all the manufacturer's strict quality requirements, ensuring a perfect fit and function.

The item is new, unused and undamaged, making it an ideal choice for replacing or upgrading the mudguard on your Porsche 911. Investing in original parts such as this mudguard ensures that the integrity of your vehicle is maintained and the resale value of your car is maximised.

In summary, this carbon mudguard for the Porsche 911 991.1 GT3RS is an excellent choice for vehicle owners who value quality, performance and originality.
