Product description

The manual transmission offered here, designated G82.00, is specially designed for the Porsche 718 Boxster and Cayman models of the 982 series. It is a 6-speed transmission known for its precise shifting performance and reliability. This transmission is equipped with a differential that optimises power transmission and traction, which is particularly advantageous for sporty driving. The OEM numbers for this manual transmission are 982300041C, 982300041B, 982300041A and 982300041. These numbers confirm the authenticity and specific fit for the models mentioned, ensuring seamless integration into the vehicle. This product is new and unused, which means that it has no signs of wear, damage or other impairments. It is an original Porsche part, which guarantees high quality and durability.

The installation of such a gearbox should ideally be carried out by qualified personnel to ensure the best possible function and performance. This manual gearbox is an excellent choice for owners of a Porsche 718 Boxster or Cayman who value original parts and optimum vehicle performance.
