Product description

Porsche 911 964/996, 986/968/928/944/924 Turn signal / flasher / indicator Relay

A black cube is positioned on a light-colored, textured surface. The top face of the cube displays the number '161' in white, with a small white arrow pointing downwards from the '6'. One of the side faces of the cube shows the text 'TELE.COM' in white. The background is a light beige or tan color with a fine, grainy texture. There are faint, repeating watermarks of the text 'TELE.COM' and a shield-like logo across the entire image.
